

From the manufacturer

Retention is Key. Permanent Color. Permanent Markings

**Enhanced Retention**

Allflex tags are designed for superior retention. By design, the shape of the tag enables flexibility and movement with the animal and features a wide neck for stability and retention.

**Superior Readability**

Allflex tag color selection is intended for maximum contrast with the Allflex Marking Pen, which is specially formulated for use on Allflex ear tags.

**Permanent Color**

Allflex tags are molded with color additive to prevent fading and maintain color consistency.

**Thicker Material**

Allflex tags are intentionally molded with a thickness that prevents curling and ensures longevity of the tag.

**The #1 Brand Producers Trust**  
ALLFLEX<sup>®</sup> ear tags are the ultimate choice.

**#1 TAG!**

**Anatomy of an ALLFLEX Tag**

- **Larger Hole**  
Pivots more freely & moves easily in the ear
- **Enhanced Collar Design**  
Offers greater retention
- **Wider Neck**  
Improves stability and retention
- **Permanent Tag Color**  
Color additive to prevent fading
- **Thicker Material**  
Lasts longer, prevents curling, doesn't rip

**Your Complete Tagging Solution**  
Engineered to work best together.
